VIBIA

Design By Lievore Altherr Molina

COSMOS, designed by Lievore Altherr Molina, is a pendant collection composed of lacquered thermoplastic discs inspired by satellites orbiting the moon. With the incorporation of energy-efficient LED technology, completely integrated into the interior of each piece, there is a perfect symbiosis between design and light source. Single pendant available in chocolate, green, and light grey. Two sizes. Matte black lacquered canopy.

Design By Lievore Altherr Molina

COSMOS, designed by Lievore Altherr Molina, is a pendant collection composed of lacquered thermoplastic discs inspired by satellites orbiting the moon. With the incorporation of energy-efficient LED technology, completely integrated into the interior of each piece, there is a perfect symbiosis between design and light source. The LED in the interior provides a soft ambient glow, while a second LED provides downlight. Single moon-shaped pendant available in an off-white finish. Matte black lacquered canopy.

VIBIA

Design By Lievore Altherr Molina

COSMOS, designed by Lievore Altherr Molina, is a pendant collection composed of several lacquered thermoplastic discs suspended at varying heights to create the appearance of satellites orbiting a moon. Their single-material finish invokes the smoothed texture of river rocks, rounded by millennia of natural refinement. With the incorporation of energy-efficient LED technology, completely integrated into the interior of each piece, there is a perfect symbiosis between design and light source. Available as a cluster of light gray, light green, and brown. Matte black lacquer canopy.
