BEDS | Indoor  
PAOLA NAVONE

Paris is a bed upholstered in soft leather that elevates the idea of comfort and relaxation. Its design represents a perfect mix of elegance and comfort, the ideal synthesis of the union between Baxter and Paola Navone. The bed celebrates the designer's attention to detail, her ability to conceive products with shapes as cosy as an embrace, in which you can curl up and be cradled. Any rigidity is smoothed out here by the workmanship of the raw-cut leather, which, resting loosely on the structure to form fine, ultra-soft upholstery, creates undulating movements that graze the floor with the smoothness of a tailored suit.
