

Suspension luminaire with direct light for indoor use.	taO is a suspended black body, free to exist wherever you wish. Challenging gravity, it seems to float, deconstructing the visual balance of its weight. The thin power cable becomes a graphic feature that crosses space lightly, an instrument that becomes an idea.	The roses available are in textured matt black or matt white painted steel. The spotlight is in textured matt black painted aluminium. The suspension cable is in AISI 304 stainless steel. A range of light control accessories is available.	The light source is LED with integrated module. The electric cable is coaxial and matt black. A range of roses and power supplies are available.
Apparecchio di illuminazione a sospensione, a luce diretta, per interni.	taO è un corpo nero sospeso, libero di esistere dove lo si desidera. Sfida la gravità, sembra galleggiare e scompone l'equilibrio visivo della massa. Il suo sottile cavo di alimentazione diventa un segno grafico che attraversa lo spazio con leggerezza e da strumento si trasforma in idea.	I rosoni disponibili sono in acciaio verniciati bianco opaco o nero opaco texturizzato. Il proiettore è in alluminio verniciato nero opaco texturizzato. Il cavo di sospensione è in AISI 304. Sono disponibili diversi accessori per il controllo della luce.	La sorgente luminosa è a LED e a modulo integrato. Il cavo elettrico è coassiale e di colore nero opaco. Sono disponibili vari rosoni e sistemi di alimentazione.
