

Wall lighting system with direct or indirect light for indoor use.

An ultra-thin tape cuts through space, bends and produces direct or indirect light. UTOPIA breaks down the luminaire, turning it into something else, leaving only a trace, a line and then not even that, just light.

The tape is in electro-coloured matt black AISI 304 stainless steel, is 10 mm wide and can be extended up to 12 m in length (standard measurements 6 / 12 m). The metal tape can be bent in all directions using the special bending accessory. The bending accessory is in textured matt black polyamide. The bending accessory tie-rod is in matt black anodised aluminium, while the tensioning cable is in galvanised steel. The tensioners are in matt black anodised aluminium.

The light source consists of two 8 mm wide LED strips, which can be oriented upwards or downwards. The driver is not included but is available as an accessory.

Sistema di illuminazione da parete, a luce diretta o indiretta, per interni.

Un nastro sottilissimo taglia lo spazio, si piega e produce luce diretta o indiretta. UTOPIA smaterializza l'oggetto lampada, trasformandolo in qualcos'altro, lasciandone solo una traccia, una riga e poi nemmeno più quella, solo la luce.

Il nastro è in AISI 304 elettrocolorato nero opaco, è largo 10 mm e può essere teso fino a 12 m di lunghezza (misure standard 6 / 12 m). Il nastro metallico può essere piegato in tutte le direzioni utilizzando l'apposito deviatore. Il deviatore è in poliammide nero opaco texturizzato. Il tirante del deviatore è in alluminio anodizzato nero opaco mentre il cavo di trazione è in acciaio zincato. I tenditori sono in alluminio anodizzati nero opaco.

La sorgente luminosa è costituita da due strip LED di 8 mm di larghezza utilizzabili rivolte verso l'alto o verso il basso. Il driver non è incluso, ma è disponibile come accessorio.

Finish

.04 Matt Black

Custom finish available on request (wall connection and installation kits only).
Finitura personalizzata su richiesta (solo per attacco da parete e kit di installazione).
